

ENGLISH COUNTRY DANCING - A GENERAL OVERVIEW & PRIMER

- Most English Country dances are in long lines, but some are in sets of three or four couples, or in squares.
- If you have ever seen square dance you have seen some of the types of moves used in English Country dance.
- Some dances date back to the 1700's, some have been written in the last year.
- Dances are taught beforehand, then called as they are danced to live music.
- For all ages, you do not need to bring a dance partner or have prior experience.

Dance®
 - Northern Ohio -

Usually the *First Couples* or *Ones*, dance to the *bottom* of the hall, also called *down the hall*, while the *Second Couples* or *Twos*, work their way toward the *top of the hall*. After each repeat of the dance they progress to dance with the next couple up or down the hall.
